

Gents....

Welcome to Cardinal Chord College (CCC) 2009, and thank you for attending!

The buildings and their uses for CCC follows:

- The Student Center (#30 on the IWU Campus Map almost in the center of the campus) is where we'll have registration for CCC. This is also the location for all meals.
- Reed Hall (#27) will be used to house CCC attendees.
- Classrooms for CCC are in the Recreation & Wellness Center (#26) and the Phillippe Performing Arts Center (#23).
- The Friday night show will be in the Phillippe Performing Arts Center Auditorium (#23 on map) and begins at 7:00 PM

The "Meet the Champs" and pizza party on Saturday night will be in the Commons Area of the Student Center. There is a stage area there for quartets and the chorus to perform.

As a gentle reminder Indiana Wesleyan College is a religious school and as such does not permit smoking or alcoholic beverages on campus.

Some additional thoughts.... while the IWU facilities are great, if you have special needs, you may be more comfortable if you bring items to accommodate those needs. Items like your own pillow, an alarm clock, an extension chord, a small cooler for bottled water or soft drinks, and some snacks might make your stay at CCC a bit more pleasant. You may also find that a tablet and pen (or a recorder) to take some notes during your classes could be useful, and don't forget that pitch pipe and a water bottle!

As CCC begins to wind down, you will be asked to fill out comment sheets regarding your experience, the good and bad points, and what you consider we could do to improve CCC for 2010, things like more classes, less classes, different classes, increase the length of CCC, different location, and so on. We, the members of the HX/CCC committee, hope you will take the time to be totally honest about your observations and feelings, as we want nothing else but to watch CCC grow and improve, and we are sure that we can do so with your help, thank you!

Regards,

Steve Albert
CCC Registrar
